R.B. 19/11/28

Sir,

With reference to G.O. No. 5603-63.L.B.52-27-30 dated 15-3-1928 sanctioning among other things the establishment of a toll gate at Humchadakatte on Thirthahalli-Ananthapur District Fund Road, I have the honour to state that the new toll gate has been opened from 1st July 1928, and the income realised therefrom is Rs 1,050/- for the year 1928-29. As regards the location of the toll gate same difficulty has been experienced in the actual working causing loss of revenue to the contractor. It has been represented by the contractor that carts going on this road from Thirthahalli side evade payment of tolls by taking turn near Konandur and Muniyur Halla and join the main road near Mugudathi about 6 miles beyond Humchadakatte.

The petition of the contractor was forwarded to the Amildar, Thirthahalli who has furnished in his report No.C 6.V.P./28-29 dated 20-8-1928 a sketch of the situation stating that the villagers avoid the existing toll gate at Humchada-

katte

Humchadakatte and make use of country cart tracks and that therefore the opening of a sub-toll gate at Mugudathi is necessary. I agree with him in this view.

Under the circumstance, I request that you will be so good as to obtain sanction of Government to the opening of a sub-toll gate at Mugudathi. The approval of the Board to the proposal will be obtained at their next meeting and duly communicated.

The Vernacular file of correspondence ending with Amildar's report referred to above is enclosed herein for reference and retransmission.

I have the honour to be
Sir,
Your most obedient servant,

Bhubbachao

President,
District Board, Shimoga.
